

HP 206A/206X Series Firmware Update Notification

Date: September 1st, 2022

Dear Customer,

On September 1st 2022, Nu-Tone&CO found that HP released a firmware update involving the HP 206A/206X series. Compatible or refurbished cartridges cannot be recognized by upgraded printers.

Our suggestions:

1. We recommend that you sell your existing inventory as soon as possible.
2. We recommend the customer not to actively upgrade to the latest firmware version.
3. For more details on upgraded products, please do not hesitate to contact your representative.
